Dear TMAA members and supporters,
We would like Thank all members and supporters for serving Tigray community in DFW for more than Twenty years.
The services rendered during the difficult and good times, the support made to help members and nonmembers Tigrayans , the participation and contributions made by members to help developmental activities of our country, the continued celebration and sponsorship of several events including XMass music nights , the acknowledgements and encouragements to graduating students, the getting together, the warm dinner nights,.....The past challenges and mistakes on that long journey will be lessons to TMAA's future.
We invite all to join TMAA and work together for a better future of our community, children , and the beloved country-Ethiopia.

We would like to thank the great nation USA.
Thank you.
TMAA
Sincerly,
